

POWER Library

1. Access digital resources by clicking the **POWER Library** button. POWER Library provides access to educational resources such as e-resources, eBooks, primary source digitized materials, the statewide union catalog of materials in libraries throughout Pennsylvania, and access to a librarian 24/7 via the Ask Here PA chat with a librarian service. These e-resources are particularly useful in lesson plans. The rich variety of e-resources covers topics such as Biography, Business, Children's Resources, Education, Literature, STEM, and more!

2. For materials describing the features and use of POWER Library, click the desired link title in the right column to view it.

POWER Library

POWER Library provides access to educational resources such as e-resources, eBooks, primary source digitized materials, the statewide union catalog of materials in libraries throughout Pennsylvania, and access to a librarian 24/7 via the Ask Here PA chat with a librarian service.

- Teachers will find the e-resources (subscription databases of articles, news, photographs, videos, etc.) will be particularly useful in lesson plans.
- The rich variety of e-resources covers topics such as Biography, Business, Children's Resources, Education, Literature, STEM, and more!

The POWER Library is made possible by a grant from the Institute of Museum and Library Services as administered by the Pennsylvania Department of Education through the Office of Commonwealth Libraries, and funding from the Commonwealth of Pennsylvania, Tom Wolf, Governor. © 2017
