

## Partners

1. Professional leadership organizations have partnered with the SAS Leadership System to provide materials and resources to enrich the user experience and provide access to Act 45 professional development opportunities. Click on the **Partners** tab in the top SAS Leadership System menu bar to view these organizations, their sites, and the professional development and/or resources they have provided.

2. Click on the **Professional Development** button or the **Resources** button for courses or materials associated with a specific partner organization.
