

Topics of Interest

1. Click on the **Topics of Interest** tab to select topics by expertise, level of interest, and the frequency for which you would like to receive information to help further customize your SAS Leadership System experience. Scroll through the full list to see all the available topics.

Demographics Framework for Leadership Topics of Interest			
Select topics by level of interest and the frequency for which you would like to receive information to help further customize your SAS Leadership System experience. Select Expertise if you are willing to respond to questions in Connect With Others.			
Topics of Interest	Interested: 0	Expertise: 0	0 recommendation/notification selections
Item	Interest	Expertise ?	Notification Settings of My Recommendations ?
	Select All	Select All	Select All
Accountability	<input type="checkbox"/>	<input type="checkbox"/>	Notification Frequency
Assessment	<input type="checkbox"/>	<input type="checkbox"/>	Notification Frequency
Attendance	<input type="checkbox"/>	<input type="checkbox"/>	Notification Frequency

2. Click the **Interest** checkbox for each topic that interests you. If you are willing to respond to questions in Connect With Others about a topic, click the **Expertise** checkbox next to it. Then, select your **Notification Frequency**. Clicking the Expertise checkbox lets the system know that you are willing to provide responses on Connect With Others inquiries from other Leadership System users. For further information, please see the **Connect With Others** section of this manual.
